Bring locals in with a special of your own

Local Perks helps people nearby discover specials from local shops and service businesses. Creating a business profile and posting offers are free.

You set the offer

Choose the price, dates and quantity. Pause new claims whenever you need to.

Customers pay you

Members claim a voucher in the app and pay your business directly.

Run your first special

1. **Add your business**
   Create an account. Open Account, then Business workspace. Add your business details and submit your profile for approval.

2. **Post an offer**
   Once approved, add a photo, price or discount, end date and any terms. Set a quantity if you want to cap the number of claims.

3. **Redeem at checkout**
   Open Redeem voucher in Business workspace. Scan the customer's QR code or enter their voucher code, then take payment as usual.

Start with 10 weekday lunch deals or 5 quiet-hour appointments.
